III. Read and complete sentences below with ONLY ONE word.

To get better at English, I watch TV shows and movies in English with subtitles to learn how native speakers talk. I usually listen to English podcasts and music to understand what people say. I pay attention to important words. I read books, blogs, and articles in English to learn new words and grammar. I start with easy things and get harder over time. I talk to my foreign friends to practice speaking English. Don't worry about making mistakes. The more you practice, the better you will become. Remember, it's important to do these things every day to make progress.

1. I _____ TV shows and movies in English with subtitles to learn how native speakers talk.

2. I _____ listen to English podcasts and music to understand what people say.
